

Press release – Paris, the 2d of April 2019

## **Appointment Arnaud PIETTE as Asset Management Director**

**CIIAM announces the designation of Arnaud Piette as Asset Management Director.**

Started in 2006 and trained as Arts and Trades Engineer, Arnaud Piette was Head of Tertiary Asset Management since 2011. Arnaud has been heavily involved in acquisitions, sales and redevelopment. Previously, he also worked on various consulting assignments in office, commercial and residential : transaction (transfer/acquisition), asset support, strategic consulting, asset audits, master plans.

Arnaud, 36, now manages the entire portfolio property and will oversee the teams in charge of office buildings, housing and business portfolios valued at nearly € 4 billion.

*"We are very pleased to offer our employees the opportunity to evolve within CIIAM. Arnaud is an experienced professional who has developed a great knowledge of the Asset Management business and more generally all the real estate issues of our clients. Our versatility, our ability to meet our customers needs and our technical expertise are our added value," says Leslie Villatte, Executive Director of CIIAM.*
