NOMINATION | Nicolas Renders has been appointed as Managing Director of CIAM Belgium

In order to support its growth in Belgium, Colliers International Investment & Asset Management in Belgium (CIAMB) announces the nomination of Nicolas Renders as Managing Director.

He replaces Renaud d'Argembeau who is leaving the company at the end of June. Renaud d'Argembeau has been Managing Director of CIAMB for 4 years further to the purchase by Colliers in 2015 of IDB Management.

Nicolas Renders has a 20-year institutional experience in asset and investment management on the Belgium and Luxembourg markets. Nicolas worked as General Manager of DEKA Immobilien Belux and more recently was the Head of Asset Management Belux with Axa Investment Managers Real Assets.

“I am very excited to be taking on the role as Managing Director of CIAMB at this important juncture for Colliers Investment and Asset Management services in Europe. Together with CIAM platform and thanks to the backing of Colliers, we are in a great position to consolidate the relationships with our clients and harvesting new business opportunities”, says Nicolas Renders.
